Community Contributions/Discussion

Concern regarding CSL going into Executive Session - it was discussed at length as to whether or not this is the right model for CSL and we have decided to stay with this for now

Executive Session

Our Home: Conversation continues - survey data shows 91% satisfaction rate with our location/space. Annual lease has been signed.

Goals: Ingrid outlined our goal spreadsheet. Teams are being formed. We can use the provided format or adjust as needed - idea is to have it work for you. By April team leads should have "must do" goals

Dates for next CSL election: November 5 & 12

Calendar: we have purchased a large calendar that can be used for planning purposes
